ROBERT C. JAMES, Principal of G.J.H.S., carries the responsibility of the entire school. He is also director of secondary education for School District #51. Although his time is filled with the problems and functioning of the school he is always willing to be of service to any student. His deep concern for an adequate school program makes him an outstanding principal.

CLYDE GRANERE, Assistant Principal, helps in the plaining and carrying out of all school activities. Serving also as counselor of boys, Mr. Granere spends much of his time in conferring with them on classes, choice of vocation and college placement. He is also sponsor of Boys' League and Student Council.

## Football

Coach Gene Ridenour has proved himself as a football coach since 1954 by developing three of the finest teams in the history of Grand Junction High School. He has had two State Runnerup teams. In the '56 season he trained a Tiger team that was recognized as being the best in the state although it didn't have the opportunity to play in the finals. Coach Ridenour's past athletic record is also impressive. He received recognition as an All-American while playing for Kansas University where he received his masters degree. Before coming to G.J.H.S., Mr. Ridenour coached at Williamsburg, Kansas, one year and at Emporia six years.

Carl Cox, backfield coach, during his eight years at Grand Junction High School has helped to make the Tigers a football power to be reckoned with in the State of Colorado. Graduating from Colorado A & M in three years with a B.A. degree, Coach Cox proved himself not only as a scholar but also as a fine athlete. He played fullback in high school, college and the Navy. While wrestling for the Navy he won the Oklahoma AAU Championship.

Co-Captains Vince Gray and Danny Williams were largely responsible for the fighting spirit of the Tigers during the 1956 gridiron season.

The outstanding forward wall of an outstanding team consisted of Chris Talbott, Butch Bull, Robin Cherp, Jack Sills, and Bill Sterns.

The quarterbacking of Bill Peck and Varsity T-formation expert, Doug Hopton, and the long accurate punting of Dick Davolt sparked the Tigers throughout the season.

Many of the Orange and Black's points came through ompleted passes. On the receiving end were Vicinown, Lloyd Summers, Leroy Inman, Dick Wells.

Doug Hopton, wizard quarterback, was elected "the most valuable player" by his teammates. Doug was a quarterback on the Tiger Varsity for three years and merited the All-State selection his senior year. Doug also turned in outstanding defensive performances and was an excellent punt return man.

lindertaking the kick-off dutie for the Tigers was Jim Blair,

Combining speed and knowledge were the first string backs Jim Luke, Ron Leitch, and Ron McInture.

Robin Cherp, senior center, was elected the "most improved player" by his teammates. Robin transferred from Minnesota to Grand Junction as a sophomore and made the Varsity his junior year.

Completing one of the most successful seasons in many years. Coach Gene Ridenour's Tigers boasted a 9 win 1 loss record. Employing the deceptive split T formation the Bengals scored 392 points compared to their opponents 20. In their last eight games the Tigers came to be known as the "Whitewash Squad" scoring 366 points while holding tough opposition scoreless. The second game of the season against the Colorado Springs Terrors, who later won the state championship, was the only loss for the Tigers. The Bengals were not quite ready and dropped the encounter 14-6.

Since Springs did not lose another conference game this proved to be all that kept the Tigers from a state championship. However, they were voted by sports writers and coaches the number one high school team in the state. Twenty-one seniors will be lost by graduation and only 12 junior lettermen will return. The light Tigers averaged only 169 pounds in the line and 150 pounds in the backfield. The team made up for their lack of size, however, by using superior speed and agility along with excellent coaching and fine teamwork.

## JayVees

Coach Mickey Dunn's Kittens put together a 2 win, 3 loss, 1 tie record for the 1956 grid-season. The Kittens started with a 13-13 tie with Carbondale and proved themselves a football team by beating Cedaredge 7-6. A 49-13 triumph over Collbran was short-lived as the Jay-Vees were knocked off by Hotchkiss 27-14 and downed by Glenwood Springs 35-0. In their last game the JayVees lost to Palisade 20-6. Although the Kitten's record does not seem too impressive, it should be remembered that the coaching staff of G.J.H.S. schedule the varsities of other schools in an effort to get top competition and valuable experience for the JayVees. This gives the JayVees the qualifications needed for a good AAA team.

## Basketball

Coach Bob Johnson's Tiger roundballers had a highly successful season which was topped off by a berth in the State AA Basketball Tournament. The team consisted of nine seniors and three juniors with the nucleus being eight lettermen from last years' squad. The Tigers were the champs of the Western Division boasting a record of eight conference wins against no defeats and were second in the South Central League losing a sensational championship game to the highly touted Pueblo Central Wildcats 62-61. In regular season play the Bengals had an impressive 14-6 won-loss record which included a victory over the power of the Denver schools and the Manual Thunderbolts.

At the State Tournament the Tigers took fourth place, winning one of three games. The first game; a 78-51 loss to the state champions, Greeley; and their second game, a 62-60 victory over Cherry Creek, placed the Bengals in the consolation finals, Here Lakewood squeezed by the Tigers 73–70 in a close game to the final gun for the third place trophy.

The lettermen are Lyle Chadwick, Vic Brown, Doug Hopton, Dick Wells, Ron McIntire, Keith Ostrander, Larry Roper and Glen Pryor.

## JayVees

Playing many "B" and "C" class high schools "A" squads, Coach Gene Ridenour's Junior Varisty completed its season with a 15-won 1-loss record. Their only defeat was to the Carbondale Bulldags by a three point margin. Composed entirely of sophomores and juniors, many JayVees are expected to be varsity etterman next year. In more than one intersquad game these "rinks" gave the "A" team a good go.

#### "B' Squad

Coach Bill Fanning's "B" squad composed of 14 sophomores, completed the season with a 5-won 3-loss record. Coach Fanning stressed ball handling and the fundamentals of basketball on both offense and defense. The boys showed improvement the latter part of the season, particularly Jim Pennington and Keith Fowler, who were elevated to the Junior Varsity. The "B" team squeezed their practice periods between those of the "A" and JayVee groups.

# Wrestling

Coach Carl Cox's grapplers turned in a glowing record of 13 wins and 1 loss in 14 dual meets. They won the Western Slope Conference Tournament. Eight boys qualified for state competition at the conference meet, and Claude Gonzales, sophomore, walked off with the state championship in the 103 pound class. Richard Peterson and Tom Matlock placed fourth in the state. Jim Bays, heavy-weight and Claude Gonzales won the title of Western Slope champions. Pointwise for the season Tom Matlock was the big gun for the Tigers with 52, Ron Lease,

received second honors for his 49 points and Claude Gonzales was next with 48 points. Elroy Rooks was recognized by the Varsity squad as being the most improved "B" Squad wrestler, and Tom Matlock received the scoring honors.

In the three years that Coach Cox has held the title of head coach, he has produced two state champions, won the South Central League championship and the Western Slope championship, coached 10 wrestlers to a position in the state tournament, and won 31 of a possible 36 dual meets.

## JayVees

Don Govoni's second year of "B" squad coaching brought the JayVees through two years of tough competition undefeated. Culminating the 13-dual meet schedule the Kittens humiliated Delta's "A" team by a 24-22 count even though they were forced to forefeit the 175 lb. class for lack of a participant. Coach Govoni's big job is to start from scratch with the underclassmen and give them some wrestling experience and background preparatory to Varsity competition. Coach is well qualified to fill this position as he has

won a number of titles in the wrestling field. Elray Rooks was selected by the "A" squad as being the most improved "B" squad wrestler. Coach names the following bays as doing especially well and showing lats of potential: Ralph Belcastra, Gary Carlson, Jerry Boggs, Ronnie Arellano, and Frank Quintana, sophomores; Earl Weimer, Elray Rooks, Dean Kille, Ronnie Johnson, John Petek, juniors; and Vernon Close, senior.

### Track

Sixty-five aspirants took to the cinder paths March 4 under the watchful eye of Mickey Dunn, head track coach. Track is taking on new import as Grand Junction High School's 1956 team ran away with every meet except the State Tournament where they placed seventh. New records were set by last year's team in the high jump, the 220 yard dash and the high and low hurdles.

Jack Sills, one of the eight returning lettermen, tied for first place in the high jump event at the State Tournament. The 1907 track season included the Mesa and Delta Invitationals, Districe 51, Aggies, Conference and State meets.
